Byte Size Learning, LLC

(ages 8 and younger)

Watch your child go from tapping and typing, to reading and writing. Discovery Kids Puterbugs computer classes prepare children 8 and younger with today's Top 100 Tech Skills, starting with the letters of the keyboard. Features small class size, personal attention, and exclusive access to continue the fun and learning online at home! Enrollment is ongoing. No computer experience needed. For class times/days, questions or enrollment, please call 757-254-4448.

Aviation Winter Camp (ages 9-13)

Want to learn about flying a plane? Students will be introduced to aerodynamics, airplane controls and design and explore the forces that act upon an airplane in flight. Students will also build model airplanes and experience hands-on activities that will inspire them to engage in math and science. Field trips include a visit to a local airport where

they'll board the cockpit of a Cessna as well as take a trip to an aerospace museum. Fee includes all materials, a T-shirt, and snacks. For more information or to register, contact yaef@cox.net or call 757-369-5004. Offered in partnership with the Youth Aeronautics Educational Foundation, a non-profit organization that provides youth with educational opportunities to achieve careers in aviation, engineering and related studies.
